Study of the Month:

Type 1 Diabetes Study

Adults (21-40 years old) with Type 1 Diabetes (T1D)

Needed for a Research Study

What
The purpose of this research study is to determine how not eating (fasting) impacts the ability to respond to low blood sugar in people with type 1 diabetes (T1D).

Who
Adult males and females, ages 21-40, with type 1 diabetes may be eligible to participate in this research study. Participants must have had diabetes for 5+ years and must not be obese or pregnant.
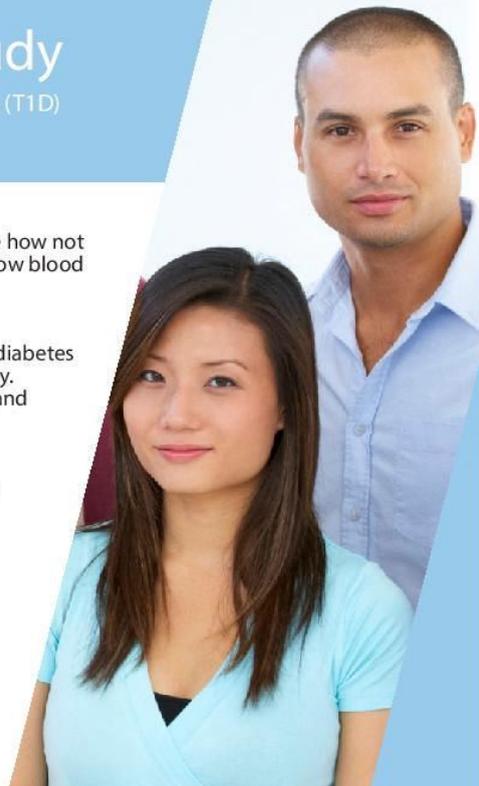

Pay
Participants may receive up to $400 for their time, effort, and travel.

Details
For more information, contact Rebecca Cason at Rebecca.cason@uc.edu or (513)-558-3427, or Jason Winnick, PhD at Jason.winnick@uc.edu or (513)-558-4437.

UC Health. / **Cincinnati Children's**

04-21 CCHMC IRB # 2019-0816

Upcoming Events:

First Friday: 8/6/2021
9:00 - 10:00 am
Virtual Meeting
High Enroll Clinical Research Recruitment Services

Lunch & Learn: 8/19/2021
12:00 - 1:00 pm
Virtual Meeting
The Consent Process for Central IRBs

Clinical Research Managers Meeting: 8/27/2021
9:30 - 10:30 am
Virtual Meeting

OCR Renaming Contest:
Last Chance to Vote on the Finalists:

The Office of Clinical Research (OCR) needs your help in choosing their new name. Now that the research community has submitted their name suggestions, the finalists are going head to head in the battle for the office's official and unofficial new name. The people who suggested the winning names for each category will receive a prize. Please help the OCR celebrate their move from UC Health to UC by voting for your favorite finalist by Friday, August 6, at 5:00 pm!

Click here to vote for your favorite OCR name finalist

OCR Team Announcements:

Sheree Sims joined the Office of Clinical Research team on July 26, 2021. Once she completes her training, she will be responsible for the Research Approval and Access processes. Please join our team in welcoming Sheree!

New CDA Process:

All new CDAs should be sent to Geoffrey Pinski's team at UC-MTA@ucmail.uc.edu. All submitted CDAs will require either a completed A910c or the following minimal information in the email request:

1. UC Principal investigator
2. Name of company (if we are being asked to draft the agreement – the company's address or a place to get their address)
3. Topic of discussion/technology
4. Contact at the company to send any requests related to the agreement
5. Any other people that should be copied on the conversation

For more information, please contact UC-MTA@ucmail.uc.edu.

New Studies to be Submitted to UC's Greenphire System:

As of July 1st 2021, the Office of Clinical Research has administratively moved from UC Health to UC's College of Medicine. Clinical research studies will now be contracted through the University of Cincinnati. Due to this change, new studies will need to be set up in UC's Greenphire system. Study teams will follow the same process they are used to when setting up a study in UC's Greenphire system. For more information, visit Research How 2 and search "Greenphire," or contact GreenphireClinCard@ucmail.uc.edu.

Studies contracted through UC Health will continue to be maintained in UC Health's Greenphire system for the life of the study. Study teams will continue to be able to order ClinCards for their UC Health studies. You can access the UC Health Greenphire request link here.

Click here to submit questions regarding the OCR move

New Guidelines for Research Being Conducted in the OR at WCH:

1. Before the visit, please contact the service line coordinator to make arrangements to come at one of the numbers below:

Ashley Florence
- Services: ENT, plastics/breast health, and urology
- Ascom: 513-298-3898

Lisa Durbin
- Services: orthopedics, hand, and podiatry
- Ascom: 513-298-3458

Lucas Gasparac
- Services: general/trauma, robotic, gynecology, and thoracic/vascular
- Ascom: 513-298-3662

Zane Stewart
- Services: spine and neurology
- Ascom: 513-298-3693

2. If any specimens will be collected, please indicate this when you speak with the coordinator.

3. Check in with the OR main desk on arrival.

4. If entering the OR, make sure you have changed into new scrubs when you arrive, utilize a red disposable cap, and obtain a surgical (tie) mask.

5. Please limit traffic into the OR to only what is absolutely necessary using appropriate traffic patterns (entering through the core door).

6. If you do enter the OR, make sure the RN circulator in the room knows your name and why you are there for appropriate documentation.

EpicCare Link Remote Monitoring Verification Reminder for Site Administrators:

This reminder applies to those of you that serve as a Site Administrator for EpicCare Link use by external monitors. Please note, EpicCare Link requires Site Verification to be performed by Research Site Administrators in the months of **February**, **May**, **August** and **November**. The Site Verification begins on the 1st of the month and ends on the 22nd of the month at which time a report is automatically generated of the sites that have not completed Site Verification and sent to the Epic Security Team for accounts to be blocked. It is required that Research Site Administrators complete this practice by logging into link.uchealth.com to verify. Failure to complete Site Verification could result in the loss of access to EpicCare Link for external users and both EpicCare Link and Epic Hyperspace for Research Site Administrators.

Please reach out to UCH-EPIC-CARE-LINK@uchealth.com with any questions or concerns.

Bioethics, Citizen Science, & Human Subject Protection Conference:

The 2021 Bioethics, Citizen Science, & Human Subject Protection Conference will be held virtually from September 8-12. This conference is co-sponsored by Advarra, Cincinnati Children's, Northern Kentucky University, the University of Cincinnati, and the University of Kentucky. This year's conference will address issues of significant importance to human subject protections and bioethics, including:

- Ethics of engaging patients in research
- Considerations of a research participant and caregiver
- Citizen science and how it fits with traditional research
- Regulatory updates including practical guidance on the Common Rule
- Conducting reviews on emergent health issues/outbreaks

Click here for more information. Please call 513-761-4100 or email hspconference@advarra.com with any questions.

Resources For Our Research Community:

OCR SharePoint Site

The Office of Clinical Research now has an active SharePoint site. The goal of this site is to serve as a centralized resource for research professionals to access helpful information that can support your research studies.

Please keep in mind that this SharePoint site is hosted on the UC Health network. If you are using a web browser that is logged into a University of Cincinnati or Children's Hospital Office 365 account, when you click this link, you will get an error message. To prevent this, you will either need to log out of Office 365 and click the link again to log in with your UC Health credentials, or you will need to use a different web browser, copy and paste the link, and log in with your UC Health credentials in order to access this SharePoint site.

Your UC Health log in credentials is comprised of your user ID number followed by @uchealth.com (ex: uid#####@uchealth.com).

It is suggested that you bookmark this link in the browser of your choice so that you can remain signed in with your UC Health credentials and you can come back and reference this site at any time.

Click here to visit the OCR SharePoint site.

Access and Authorizations:
Updated Appendix A

Click here for an updated Appendix A for the Access and Authorizations process. Appendix B and Appendix D remain the same. The process continues to be the same, but all researchers, volunteer or paid, should use the newly updated Appendix A. Please reach out to Research-Credential@uchealth.com with any questions.

GreenPhire ClinCard Training Video

Greenphire has developed a ClinCard Training Video for new users. The video link will be added to the REDCap request form as well as the OCR SharePoint site. We hope this video will be helpful when onboarding new users and serve as a valuable resource for current users. If you have any questions, please contact UCH-Greenphire@uchealth.com.

CCTST Online Educational Library, CTROnline

CTRonline offers an array of clinical and translational research training modules and event recordings. All videos are free and open to any learner looking for a brief introduction to (or a refresher on) specific research topics.

ResearchMatch Online Training
Thursday, August 12, 2021
2:00-3:00 PM

ResearchMatch offers free, online training for anyone in the research community interested in learning how to use ResearchMatch as a recruitment tool. This training will teach you how to get started and will share tips for ensuring that your experience with ResearchMatch is successful, including defining your demographics and key terms.

Register here: ResearchMatch Researcher Training.

Updated Contact List:

Director: Maria Stivers (Maria.Stivers@uchealth.com)
Supervisor: Trina Mcfarland (Trina.Mcfarland@uchealth.com)
Manager: Zak Johnson (Zachary.Johnson@uchealth.com)
Budgets: Heather Roberson (Heather.Roberson@uchealth.com) & Macy Michael (Macy.Michael@uchealth.com)
Coverage Analysis: Trina Mcfarland (Trina.Mcfarland@uchealth.com)
Contracting: Heidi Rowles, Devon Sanford, & Stuart Engel (UCP-ClinicalTrials@uchealth.com)
Billing: Charlie Fremont (Research-Finance@uchealth.com | UCP-ClinicalTrialBilling@uchealth.com)
Research Access & Authorizations: (Research-credential@uchealth.com)
UCH GreenPhire: Trina McFarland (UCH-GreenPhire@uchealth.com)
UCH Research Approval: Nate Harris (Research-Admin@uchealth.com)
EPIC Research Tools: Zak Johnson (Research-Admin@uchealth.com) & Miranda Gulasy (Miranda.Gulasy@uchealth.com)
Marketing: Miranda Gulasy (Miranda.Gulasy@uchealth.com)
Compliance Administration: Nate Harris (Nate.Harris@uchealth.com)
Training and Education: Nate Harris (Nate.Harris@uchealth.com)

Join the Mailing List:

We have moved our mailing list to an electronic system. New staff or faculty that wish to join the mailing list can now click the button here or on the OCR website to join.

If you received this newsletter, you are already on the list. No need to re-join, but we encourage you to share with your colleagues, especially those new to UC Health and UC.

Sign up to receive communications from the UC Health Office of Clinical Research on the topics of new SOPs, education sessions, news, events and information geared towards the UC/UCH Research Professionals community.
